THE PROCESS OF BUYING A CUSTOM STAINED GLASS WINDOW

The first thing we typically do is to discuss your project so we understand what you are looking for. Are you looking for a *Tiffany stained glass window*, a contemporary stained glass window or some other style? Have you found a *stained glass window in the gallery* that you like? Do you have a completely different, new design idea and want it in stained glass? Once we know what type of *stained glass window* you want, our designers will create a stained glass window just for you. Once the design work is done you will get to see and approve a sample of the artwork before it gets produced.
