Stained Glass for Colleges and Universities

If you've been searching for a way to add elegance and prestige to your college or university campus, look no further than custom stained glass from Stained Glass Inc. Our collegiate options allow you to honor significant university supporters, commemorate a graduating class, or display school pride in a classic and timeless fashion.

Stained glass windows are a practical and classic way to add stained glass to your campus décor. Not only are our stained glass windows and window inserts beautiful, but they are functional. Stained Glass Inc. stained glass window inserts are strong, boasting up to 250 times the strength of ordinary stained glass. They reduce drafts, add insulation, and help you save on overall energy costs. Plus, they can be installed over preexisting windows saving you time and construction costs.

Custom stained glass light fixtures used in a library or other study area are a practical use of stained glass on college and university campuses. Stained glass adds a relaxed and peaceful ambiance to rooms designed for studying. Another great option would be a customized sign or wall design with your University's name or mascot displayed in a prominent building on campus. All of Stained Glass Inc.'s designs can be customized to fit your needs allowing you to design a work of art that is unique to your school.

Looking to brighten a dark hallway or building that lacks windows and natural sunlight? Stained Glass Inc. unique and affordable "windowless windows" utilize LED back lights to display stained glass that will glow without the need for natural sunlight. Our LED lights require little maintenance. In fact, our lights provide 30,000 hours of light, meaning bulbs will rarely need changing.
