# Stained Glass for Funeral Homes

Stained glass adds warmth, comfort and a sense of peace to funeral homes. Illuminated stained glass produces a warm glow, while powerful and inspirational images help comfort those in mourning. The rich colors and warm light evoked by custom stained glass can help to provide solace to those struggling with the loss of a beloved friend or family member.

Our clients can choose to incorporate stained glass in a number of ways. Stained Glass Inc. stained glass window inserts are beautiful additions to your funeral home. You can choose to have window inserts installed over existing windows, or you can choose one of Stained Glass Inc.'s unique windowless windows. You'll receive all of the benefits of naturally lit stained glass without the need of sunlight.

Stained Glass Inc. stained glass windows are not only beautiful, but practical. Custom stained glass windows from Stained Glass Inc. add new beauty to existing windows and also reduce drafts, add insulation and save energy costs. Our stained glass is also strong and built to last, boasting up to 250 times the strength of ordinary stained glass.

Stained glass for funeral homes isn't just reserved for windows. Stained glass can be utilized in several places throughout the building. Stained glass designs look beautiful when installed in doors and entryways. The lush colors and textures help offer a warm, reassuring welcome to those who visit while giving the funeral home timeless beauty and elegance. The beauty and warmth that stained glass evokes is sure to brighten your funeral home.

Our talented craftsmen can turn any of the images from our extensive stained glass collection into custom stained glass for your funeral home. Have a custom design in mind? Our stained glass artisans can create something one-of-a-kind just for your business.

Our friendly and knowledgeable design assistants are available to help you. Consultants can help answer any questions you might have about specific stained glass images or technical details. Our talented team of professionals will work with you using your measurements and color preferences to create the perfect stained glass to help provide comfort and peace to your visitors.
