# Stained Glass for your Library

Custom stained glass is the perfect way to add color, personality, charm, and style to any building. Stained glass works beautifully in libraries because of the calm and peaceful mood it exudes. Let the talented professionals at Stained Glass Inc. provide you with custom stained glass to enhance your library's overall aesthetic appeal.

Stained glass windows are not only beautiful, but practical. Custom stained glass windows from Stained Glass Inc. add new beauty to existing windows and also reduce drafts, add insulation and save energy costs. Our stained glass is also strong and built to last, boasting up to 250 times the strength of ordinary stained glass.

Stained glass windows are a perfect way to commemorate an important event in local history or to honor significant donors and volunteers of your library. Stained glass memorials and dedications can be custom made to fit into your existing library windows or as hanging suncatchers. These windows can serve as beautiful reminders of the importance of local history and are an ideal way to show thanks to those community members who've contributed time and funds to build your library.

Stained glass in libraries isn't just reserved for windows. Stained glass can be utilized in several places throughout the library.

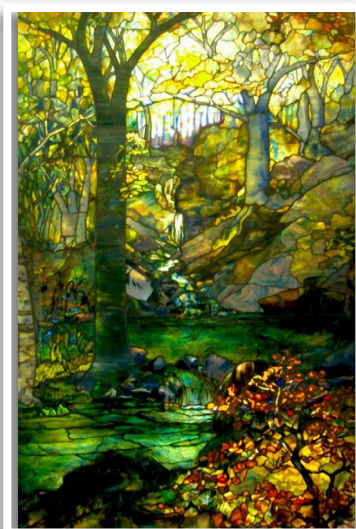

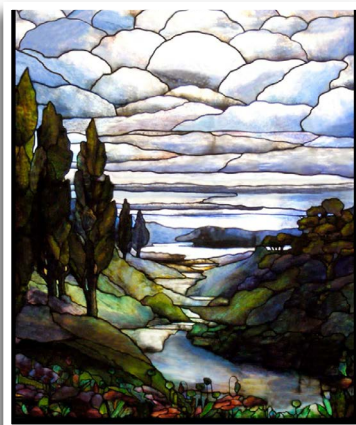

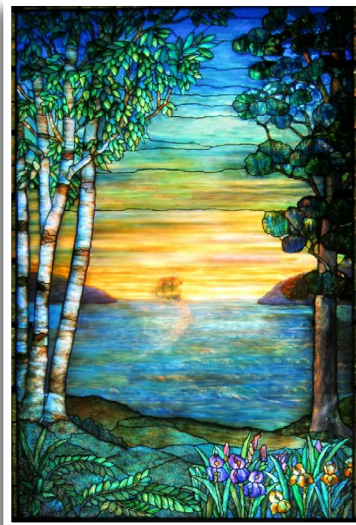

Consider having a custom stained glass light fixture hanging over desks or in quiet reading areas. The warm richness of the illuminated stained glass will help create a cozy, relaxed atmosphere.

Stained Glass Inc. custom stained glass can easily be installed to your library's front desk adding warm colors and rich textures. We also offer impressive, eye-catching ceiling domes. All of our designs can be completely customized to fit whatever stained glass needs your library may have.

Our talented craftsman can turn any of the images from our extensive stained glass collection into custom stained glass for your library. Have your own unique design in mind? Our stained glass artisans can create something one-of-a-kind for your library.

Our friendly and knowledgeable design assistants are available to help you. Consultants can help answer any questions you might have about specific stained glass images or technical details. Our talented team of professionals will work with you using your measurements and color preferences to create the perfect stained glass cabinet door inserts for your home.
