# Stained Glass Memorials

Stained glass is a unique yet personal way to memorialize a loved one. If you are looking for a team of stained glass artisans to help fulfill your memorial needs, search no further than the team at Stained Glass Inc. Our craftsmen offer the best in beautiful image and text customization and our products are durable and created to last a lifetime.

Many of our clients consider donating a memorial stained glass window to honor lost loved ones. These windows may be incorporated into their own home décor or dedicated at their church or other place of worship. Other establishments commission Stained Glass Inc. to create beautiful stained glass windows in memory of loved ones for libraries, hospitals, and other special places. These heartfelt windows allow for your loved one to be remembered by people throughout the community in a beautiful and unique way. They also provide a special place for you to visit to remember them.

Because we can custom make any type of stained glass design, you are free to incorporate any text and images that you wish including names, messages, or no text at all. The size, shape, and color of your finished design are completely customized to your exact specifications.

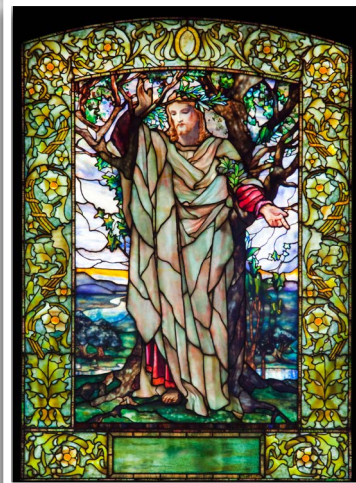

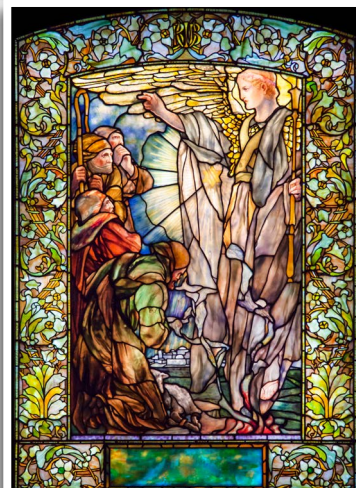

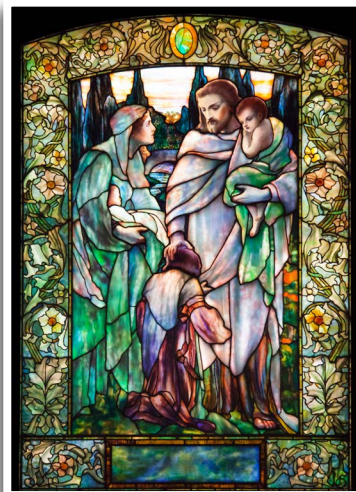

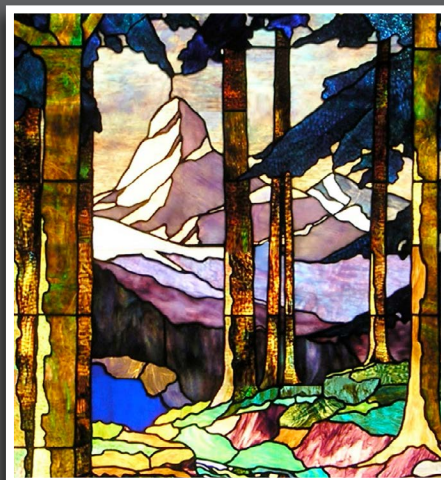

Clients have also memorialized their loved ones through stained glass inserts that can be added to just about any window, or they choose to simply have a stained glass suncatcher created that can hang in front of existing windows. This is an ideal choice for clients who may be relocating in the future and wish to have a stained glass memorial that isn't permanently attached to their building or home.

If you have a special loved one that you would like to honor, call our team of talented designers today and get started creating their personal memorial.
