Stained Glass for Partitions and Room Dividers

A large room can be separated beautifully with stained glass room partitions or dividers. Stained glass partitions and dividers can add beautiful color, rich texture and a peaceful atmosphere to your room. Stained Glass Inc. master artisans and craftsmen can provide privacy for different parts of your large room, office or other space.

Stained glass partitions and dividers allow light to flow through the room while also offering privacy to individuals. Since fixed dividers aren't always the best option, Stained Glass Inc. offers moveable dividers and screens to allow you flexibility within your space. Our partitions and dividers offer multifunctional appealing solutions that will suit your every need.

The talented artists at Stained Glass Inc. have created a wide variety of stained glass designs that are suitable for partitions and dividers. The rich colors and textures, finished with beautiful details, are sure to coordinate with any existing decor. Have a special design or color combination in mind? We can work directly with you to create customized partitions and dividers to suit your exact size, shape and color specifications. We can add your business name and logo or other pictures and text that you have in mind.

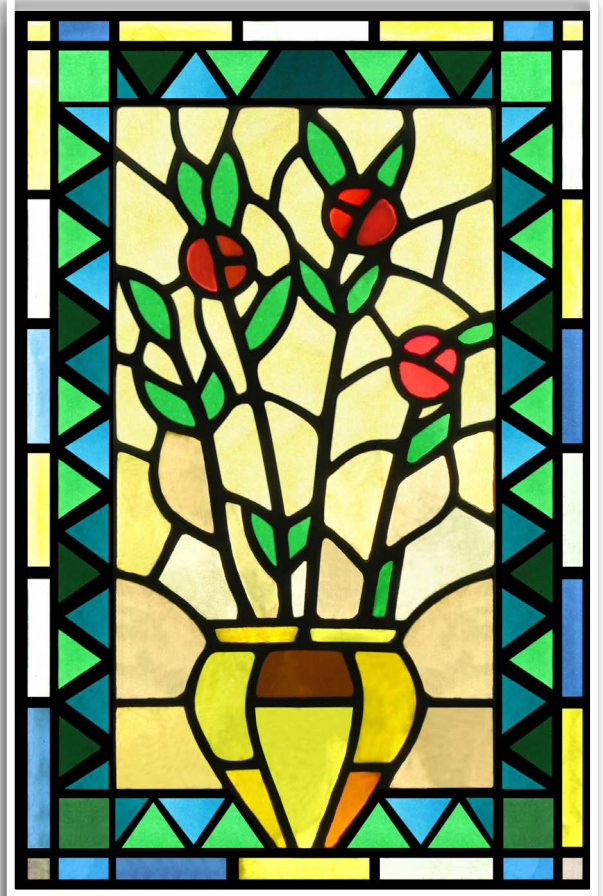

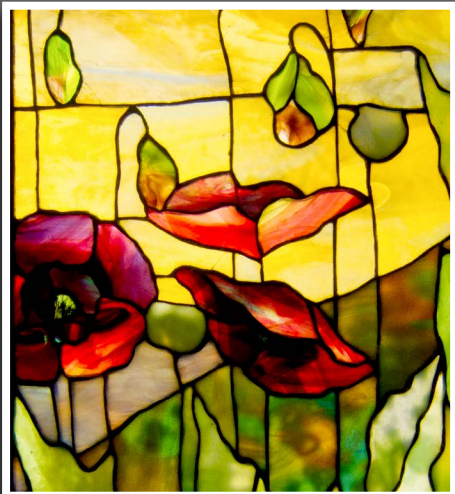

Our stained glass is durable and easy to install, meaning you'll spend less time and money on construction costs. They are low maintenance and require very little care to maintain their beauty.

We invite you to browse our wide variety of designs, or work directly with a designer to create an affordable custom design. Our friendly and knowledgeable design assistants are available to help you through every step of the process.

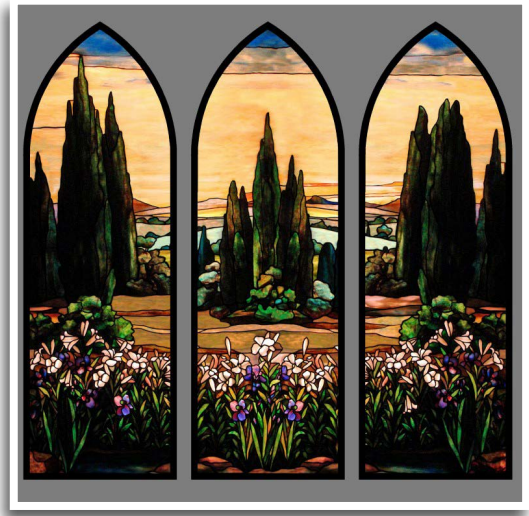

Room Divider and Partition Applications

- Separate office buildings and employee work spaces
